CHANGE YOUR LIFE

CHANGING PEOPLE'S LIVES® Our holistic approach to recovery and wellness makes us a special place to heal. Our compassionate staff provides a treatment environment that includes alternative therapies and family programming. Our goal is to help you achieve wellness by treating all of you: mind, body and spirit.

GIVING IT EVERYTHING WE'VE GOT TO GIVE YOU A BETTER LIFE.

Addiction is a disease that eventually takes everything away from you. So here, at Denver Springs, when you are ready to get help with treatment, we're willing to give it everything we've got to help you build a better life.

Cognit is an on-line recovery management resource designed to provide ongoing support as you progress through all stages of the recovery process. It is available to our patients seeking help with their addiction. Cognit is a content delivery tool that provides you with education and therapy resources through the internet. It also facilitates group interaction and gives you real-time access to your progress evaluations. It even allows you to share your progress with your treatment team.

COGNIT

- A leader in web-based programs for addiction treatment and mental health
- An independent provider combining the best of all proven methods
- Continuously updates its programs with the latest clinical advancements

COGNIT HELPS PATIENTS:

- Become more energized and motivated about their recovery
- Create an individual learning path
- Develop self-awareness, strength and confidence
- Maintain a sober, stable and productive life

COGNIT AND A BETTER LIFE

Cognit is a strength, belief, wellness and challenge-based process. It supports the model of treatment that relies on the biological, psychological, social and spiritual pillars of recovery.

Your treatment team at Denver Springs uses Cognit to encourage you to find your own solutions to common recovery challenges. Cognit helps you to explore the core of your addiction, the threats to your recovery and the strengths that you can use to maintain sobriety and a better life.

THERE FOR YOU IN THE LONG-RUN

Because Cognit is available to anyone, anywhere, at any time, you'll have access to your recovery tools long after your formal treatment program here is complete.

DON'T LET ADDICTION TAKE EVERYTHING FROM YOU. SCHEDULE A PERSONAL, CONFIDENTIAL ASSESSMENT

If you are ready to claim a better life, Denver Springs wants to help you with addiction treatment. Cognit is just one of many resources available to you here.

When you walk through our doors, you will be welcomed by a staff member who will listen carefully to your concerns during a private, confidential assessment. We will work with you to understand your current situation. Then, we will recommend specific programs and services that can help you on your journey to recovery.

THERE IS HOPE. LET US HELP.

Although recovery is not easy, it's a worthwhile journey into a better life.

Call **720.643.4300** 24/7 to schedule an assessment today.

Treatment programs are usually covered by most insurance plans. Contact your carrier for details.

Admissions to our hospital are always determined by a licensed physician.
