

COLORADO

Department of Transportation

The Colorado Department of Transportation is currently hiring across the state! We advertise a wide variety of jobs, from entry-level to executives. Most common are our Highway Maintenance Workers that plow snow and maintain the roadways and our Civil Engineers that design roadways and oversee construction. We also hire for a wide variety of other technical and professional jobs.

As we're starting to gear up for Winter, we have a BIG need for temporary and permanent Highway Maintenance Workers across the State. These positions require a Commercial Driver's License (CDL), class A or B, a passion for public safety, and two years of heavy equipment operation and/or labor experience. The typical starting salary for our Permanent Highway Maintenance Workers is \$3,266 a month, with extensive benefits, possible housing stipend (depending on location), and are eligible for 5% increase after a year.

Temporary Highway Maintenance Workers start at \$23 an hour, or \$1,993 biweekly (based on 40 hours work week). Our Temporary positions work for CDOT for 9 months or less.

In addition, we're hiring for a few entry-level Highway Maintenance Trainee positions focused on learning about CDOT's maintenance operations while pursuing a Class A or B CDL.

Both permanent and temporary positions are also eligible for 1.5 X overtime pay, shift differential pay, and on-call pay.

A complete listing of all our current job openings can be found at the following website, which is updated regularly with new announcements: [https://www.governmentjobs.com/careers/colorado/filter?department\[0\]=Department%20of%20Transportation](https://www.governmentjobs.com/careers/colorado/filter?department[0]=Department%20of%20Transportation) <<https://www.governmentjobs.com/careers/colorado/filter?department%5b0%5d=Department%20of%20Transportation>> .

Our announcements contain information about the job and the qualifications to be considered. To apply, candidates must open the job announcement, click "Apply" within it, and submit by the posted deadline. They can also submit any supporting documents by attaching them to their applications or emailing them to dot_cdod_recruiting@state.co.us <mailto:dot_cdod_recruiting@state.co.us> .

What we offer:

State employees make Colorado an amazing place to learn, work, and play. We want every day to feel like an opportunity. We want to be surrounded by innovation, vibrant optimism, and creativity. Most of all we want to feel like we're doing what we're meant to be doing. It's our nature. Working for Colorado means being surrounded by people who share your vision. It's where making a difference meets a pioneering spirit. Reach your peak state and together let's share everything we love about Colorado. To learn about the State's Employee Value Proposition visit: <https://www.colorado.gov/dhr/evp>

In addition to a fantastic place to work, CDOT offers a variety of benefits which include:

- * Annual leave (accrued based on years of service, starting at 8 hours a month)
- * Sick leave accrued at 6.66 hours a month
- * 10 paid holidays per year
- * Medical and dental plans with no-cost preventative services
- * The state paid Life Insurance with optional additional life insurance
- * The state paid Short Term Disability coverage, with an optional long term disability plan
- * Participation in PERA with 2 retirement plan options, and voluntary PERA 401K and 457 plans
- * Credit Union Membership
- * Work-Life Programs
- * State Employee Assistance programs at no cost
- * Tuition and certification reimbursement program
- * Access to a diverse array of technical, leadership, supervisory and specialty training across the state, in addition to personal development and productivity learning opportunities
- * State Employee Discount Programs
- * Free RTD EcoPass if working in the Denver Metro area
