Onward to Opportunity (O2O)

Program Overview

Onward to Opportunity (O2O) is a program of the Institute for Veterans and Military Families at Syracuse University (IVMF). O2O understands the time to train and place military families in jobs is while you're still serving and not after.

With no-cost training and certification in over 40 top-paying career fields and direct connections to military-friendly employers through our national partner Hire Heroes USA, this career transition program utilizes in-person and online learning options to best fit the needs of transitioning service members and spouses.
