Food Inspector Pre-Apprenticeship & Apprenticeship Programs

FSIS invests in service members transitioning from active duty by offering a **4 week Food Inspector Pre-Apprenticeship Program** that provides a career pathway into Federal employment. Upon ETS/retirement and successful completion of the pre-apprenticeship program, service members **transition into a 12-month paid apprenticeship program.**

Benefits

GI Bill Certified! GI Bill benefits may be used during the paid 12-month apprenticeship.

4 week Pre-Apprenticeship Program offers exposure to FSIS inspection processes.

Guaranteed acceptance into a paid 12-month Apprenticeship Program after successful completion of the Pre-Apprenticeship.

Upon successful completion of the 12-month apprenticeship, service members are eligible for Federal Service appointment at the GS-7 level.
