It's a great time to share your home!

Be part of a housing solution and help someone in need of affordable housing while earning income.

It's a great time to share your home!

Be part of a housing solution and help someone in need of affordable housing while earning income.

What would you do with an extra \$11,196 per year?

The average Sunshine home provider earns \$500.00/month in rental income and receives 3-5 hours/week in help around the house.

Stop stressing about making ends meet • Live your best life

- Money saved = reduced financial stress
- Shared utility costs
- Increased security
- One-on-One interviews
- Background checks agreement
