All veterans and family members are welcome to attend, and you need not be a member to take advantage of our no-cost services. If you cannot make it to the seminar and need assistance with a VA claim, please visit benefitsquestions.org to get in to contact with your local Service Office. DAV is the recognized leader in providing the best counseling and claim filing assistance to veterans and their families. Our service officers are schooled in the full range of benefits for military veterans, retirees and their families, and they can help strengthen your knowledge and understanding of the benefits and services you earned.
