

VETERANS COMMUNITY PROJECT

A VETERAN'S GUIDE TO VETERANS COMMUNITY PROJECT OF LONGMONT

OUTREACH CENTER

1228 Main Street in Longmont
Walk-In Hours: 9am to 12pm, M/W/F
720-340-2916
Leave a voicemail.

BRING YOUR DD214 IF YOU HAVE IT!

VCP serves **anyone** who served in the U.S. Military,
regardless of time in service or discharge status.

Case Management at our Outreach Center

Come in during walk in hours or call for a scheduled appointment.

Everything begins at our Outreach Center. On your first visit, you'll fill out our intake form and meet with a VCP Case Manager to assess your needs. VCP can provide anything from hygiene items and food to direct referrals to partner organizations and ongoing case management.

If you're looking for housing, VCP can look into eligibility for a variety of programs, get you started on the housing search process, and provide referrals, advocacy, and support along the way.

Residential Program

If during your intake your case manager wants to recommend you to our residential program, you'll be given additional paperwork to complete and a housing assessment will be scheduled. After the housing assessment, if we think you're a good fit and we have availability in our Village, we'll schedule you for a housing interview.

Veterans housing Veterans,
armed with the strength and
support of the community.
