RapidAscent DoD SkillBridge Program

Enjoy the opportunity to learn valuable cybersecurity job simulation training through direct job hire, apprenticeship opportunities, and employer networking during your last 180 days of service.

Join Our Job Readiness Training SkillBridge Program

Our DoD SkillBridge cybersecurity tracks include incident response, Risk Management, Ethical Hacking, Product Management, and Network Security tailored to a SkillBridge Member's industry of choice, including aerospace, manufacturing, energy, financial, and healthcare. A program designed by employers, for transitioning members.

Program

- Live Online Instructor-Led Training
- Projects, Team Exercises, and Enterprise Systems
- Gamified Job Simulator Tasks
- Leverages our Strong Network of Employer Partners
- Advanced Resume Writing, LinkedIn, Interview Skills

Benefits

- Job Readiness Training for Core Employer Job Tasks
- A Team to Help you Transform Into Your Career
- Help Entering GovCon and Commercial Industries
- All While Getting College Degree Credits!
- Earn All Certs You Require to Get Employed

We Support GI Bill and DoD SkillBridge!

Why RapidAscent?

As a DOD-approved SkillBridge and a DOL Apprenticeship provider, RapidAscent can facilitate you or your organization hosting a SkillBridge intern for OJT. The program leverages robust live training ranges, employer networks, mentoring events, and advanced training.

What is SkillBridge?

The DoD SkillBridge program is an opportunity for service members to gain valuable civilian work experience through specific industry training, apprenticeships, or internships during their last 180 days of service.

Coveled, Mastery-Level Skills

RapidAscent has partnered with City University of Seattle to provide our learners access to 30 core cybersecurity credits with a declared major. Leverage our sponsored networking events, connections to hiring managers, and cyber subject matter experts.

Includes DOD 8570 compliant training and Sec+/CySA+ voucher
