

Start Your Career in Facility Management

With tens of thousands of commercial buildings across Denver, Facility Managers are in high demand. Through a **FREE TRAINING** offered by Goodwill of Colorado and the IFMA Foundation, you can begin your facility management career and get **PAID TO TRAIN**.

Students Receive:

- Essentials of Sustainable Facility Management Certification
- Essentials of Facilities Management (EoFM) Certification
- OSHA-10 General Certification
- Soft Skills training
- Job placement support for up to two years

Course Information:

- **FREE and PAID Training**
- Next cohort starts first quarter 2024
- Classes take place two evenings a week for five months
- Instruction provided by tenured Facilities Managers and Sustainability Professionals
- Hybrid class model
